6:00 - 9:00 pm

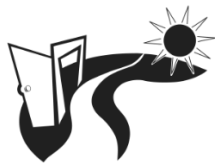

Plan to join us for one or two sessions
with Guest speaker, Linda Perry

An Introduction to Microboards (at 6:00 pm)

More about Microboards (at 7:30 pm)

Linda Perry, Executive Director of Vela Canada in British Columbia will be sharing stories and examples to help with the understanding of what a Microboard™ is and how it has helped people and families living with disabilities in BC.

Hear about Vela's 25 years of experience supporting people and families to develop microboards. We hope to plant seeds and ideas for the future and to get people and families thinking about possibilities and the value of relationships!
