## Family Secrets, Strategies & Solutions

*"Keeping me safe and active in my home, neighbourhood & community"*

Low tech and high tech examples of what two families have done to make life easier and safer for their active and participating family members in their homes & community . . .

Listen to Lise, Mary, and Andrea share. Their family secrets will be secrets no more! Ask lots of questions and take a look at the products. Pick up information handouts of your choice!

***Come join us! All are welcome: members, non-members, visitors, partners, and friends. Connect with others, have fun, learn, network, and be encouraged!***
