

Join us for an awesome evening called
An Introduction to Microboards™

with guest speaker, Linda Perry

Tues. October 3, 2017 - 7 pm to 8:30 pm

Linda Perry, Executive Director of Vela Canada in British Columbia, will be sharing stories and examples to help with the understanding of what a Microboard™ is and how it has helped people and families living with disabilities in B.C. She will plant seeds and ideas for the future, and get people and families thinking about possibilities and the value of relationships!

All this in the warm and friendly atmosphere of an historical landmark. . . .
