## A Night of Inspiration For Families Navigating High School

Is your son or daughter heading into high school or are they in high school now? Do they have an IEP and/or live with a disability? Are they thinking about the future and after high school? Do they have a vision for their life?

***Be prepared to be inspired by two stories including one about the importance of a vision and how that helps move things forward, and another by a dynamic student sharing her high school experience.***

### What to Expect:

- *Family stories*
- *Helpful hints on preparing for transitions to high school, during high school & beyond*
- *Family created resources*
- *Useful links to Ministry documents*
- *Questions and answers*

*This will be a Zoom event. A **phone-in option** will be available, but know that information will be shared on the screen.*
