

School Entry Events

FREE Information Sessions for Parents, Grandparents & Guardians

Learn more about the steps to transitioning your son or daughter living with disabilities into school and how to partner with educators.

Join us at either virtual session to listen and ask questions as:

- Two parents share their transition to school stories. Find out what helped them the most, and about their experience with school this past year.
- Two professionals from Children First and the John McGivney Children's Centre School Authority speak about the agency and school board support for children living with disabilities entering school.
