

Readiness and moving forward: People are active in the planning and evolution. Sometimes the person is ready faster than their parents or the work that needs to be done; it can feel slow.

People and families look to the future with a **vision** to live and contribute as everyday, ordinary citizens in their neighbourhoods and community.

## Everything cycles from and back to the vision of life as an everyday, ordinary citizen.

Thoughts are shared even before they are shaped. Ideas and possibilities evolve through conversations and listening to the person as their voice is strengthened.

Families have work to do in between. With regard to housing it could be exploring the community, speaking with municipalities, funders, service providers, financial lenders, lawyers, etc. The pieces start coming together.

An independent facilitator/broker walks with the person and their family assisting with the conversations at a pace the person directs and finds safe. Questions are explored together like: What would make a home “my home”?
