Pathways:

<https://www.publicboard.ca/Programs/Student-Success/Pathways/Pages/default.aspx#/=>

A pathway is a range of courses and programs that meets the needs of students, preparing them for their initial post-secondary destination (apprenticeship, college, community living, university or workforce). All GECDSB students will create an Individual Pathways Plan that will support them in identifying opportunities, setting goals and achieving them.

Example of a pathway at GECDSB

Ontario Youth Apprenticeship Program (OYAP)

The Greater Essex County District School Board (GECDSB) offers a variety of different opportunities for students interested in the Ontario Youth Apprenticeship Program (OYAP) at different schools. Some examples: Auto Service, Auto Body, Cook/Assistant Cook, Hairstyling, and Precision Metal Cutting. Students can check this out ahead on-line and/or talk with their Guidance Department.

To view the application form and the list of programs that are offered at particular high schools use the following link: <https://www.publicboard.ca/Programs/Student-Success/Programs/Apprenticeship-OYAP/Pages/default.aspx>
