

School Entry Events

FREE Information Sessions for Parents, Grandparents & Guardians

Learn more about the steps for transitioning your son or daughter who may have special education needs into school and how to partner with educators.

Join us at either virtual session to listen and ask questions as:

- Parents share their transition to school stories. Find out what helped them the most, and about their experience with school this past year.
- Two professionals, one from Children First and another from the John McGivney Children's Centre School Authority, speak about school board/agency transition processes.
